GOVERNING TO WIN

Enhancing National Competitiveness
Through New Policy and Operating Approaches

CHARLES L. PROW, EDITOR

With the current state of the economy, the upcoming election is going to focus on federal spending and budget deficit. Charles Prow has brought together an impressive lineup of businessmen and women, reporters, and experts to show how the United States can be more competitive in the global economy. Creating a More Competitive Nation shows not only what is wrong with the current federal spending plan, but ways to fix it. Business professionals and anyone interested in the government's response the recession will find this an important book.
